

Guatemala Service & Renewal Trip

JULY 6-13, 2024

You are invited to come to *Guatemala for a time of service, refreshment, and renewal. We were inspired to open this opportunity because we want to share with you our rhythms of prayer, work, rest, fun, and service that we live day in and day out here in Guatemala.*

SERVICE: We are very much in need of a crew to help us construct lockers for our students, and our classroom needs some paint work. Do you speak Dewey? Help with our growing library would also be valuable.

PRAYER: As a ministry we meet mornings, midday, and afternoons for short times of prayer, scripture reading, and worship. As staff we also take times off to hide away in one of the many beautiful gardens in our community to have extended times with the Lord.

FUN: Horseback riding, volcano hikes, ziplining, bike riding, thermal pools and more are all available in and near Antigua. As a world UNESCO site we also have numerous museums and historic sites to explore.

HOUSING & MEALS: Team members will stay in the Encounter Christian Guest House and enjoy breakfast and lunch on the premises. For dinner meals can be prepared in the kitchen or there are many restaurants to visit in Antigua.

TRANSPORTATION: Schedule a flight into La Aurora Airport in Guatemala City, Guatemala for anytime on July 6th and a return flight home anytime on July 13th. We will meet you at the airport and take you by van to Antigua. It is approximately a 1 hour drive. While in Antigua the Guest House is in easy walking distance to most locations in the town. Team members can also travel by tuk-tuk (three-wheeled covered motorcycles) or Uber safely at very low rates.

COST: \$390 per person + Airfare + Personal Spending Money
